Registration for camp is on a first come first serve basis and operates on a rolling basis, subject to availability in the camp. To assist us in planning and staffing, we encourage early registration. Participants who register early will be more likely to guarantee their spot in camp. This early registration period is essential for gauging attendance and determining staffing requirements. Staff will manage late camper requests on a case-by-case basis. We welcome all inquiries and aim to accommodate all late registrations, ensuring families can access our services beyond the initial registration period, subject to staffing and space requirements. Please continue to reach out if you are interested in attending summer camp!
